Parent(s)/Guardian(s) please attach prescription label here:

¹ This exhibit may be placed in the handbook or given to parents/guardians as needed.

² Students who are diabetic may also self-carry and self-administer diabetic testing supplies and insulin. Diabetic students must have a separate Diabetes Care Plan. For further information, see: www.iasb.com/law/diabmats.cfm, Handbook Procedure 1.130 (Care of Students with Diabetes) and Handbook Procedure 1.130-E1 (Exhibit: Authorization to Provide Diabetes Care, Release of Health Care Information, and Acknowledgement of Responsibilities).

For only parents/guardians of students who need to carry asthma medication or an epinephrine auto-injector:

I authorize the School District and its employees and agents, to allow my child or ward to carry and self-administer his or her asthma inhaler and/or use his or her epinephrine auto-injector: (1) while in school, (2) while at a school-sponsored activity, (3) while under the supervision of school personnel, or (4) before or after normal school activities, such as while in before-school or after-school care on school-operated property. Illinois law requires the School District to inform parent(s)/guardian(s) that it, and its employees and agents, incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication or epinephrine auto-injector (105 ILCS 5/22-30).

Please initial below to indicate (a) receipt of this information, and (b) authorization for your child to carry and use his or her asthma medication or epinephrine auto-injector.

Parent/Guardian initials

For all Parents/Guardians:

By signing below, I agree that I am primarily responsible for administering medication to my child. However, in the event that I am unable to do so or in the event of a medical emergency, I hereby authorize the School District and its employees and agents, in my behalf, to administer or to attempt to administer to my child (or to allow my child to *self-administer* pursuant to State law, while under the supervision of the employees and agents of the School District), lawfully prescribed medication in the manner described above. **I acknowledge that it may be necessary for the administration of medications to my child to be performed by an individual other than a school nurse and specifically consent to such practices**, and I agree to indemnify and hold harmless the School District and its employees and agents against any claims, except a claim based on willful and wanton conduct, arising out of the administration or the child's self-administration of medication.
